

BURHILL SHINES BRIGHT

Last month saw the Comms Business Channel golfers gear up for the first golf day in the society season. Burhill Golf Club in Surrey was the venue for what turned out to be day of fantastic weather with some great golfing.

After a wet winter the Comms Business Golf Society stepped out onto Burhill Golf Club with a bit of trepidation. Fortunately the team at Burhill had done an excellent job of keeping the course in good condition over the winter and by the time the Channel got to it in March the ground underfoot was in relatively good condition.

The sponsor of the day was VanillaIP, Dave Dadds stocked up our players with some golfing goodies and sent them out onto the course full of bacon sandwiches. The sun shone bright throughout the day and although all reports pointed to a showery afternoon the rain never came.

As players made their way round the course the race for the top spots was fierce and changed hands several times. When the dust settled Dean Gaunt from Invosys took home the first place with 33 points, followed by Vince Potter, DV02, and Clifford Norton, Channel Telecom.

The best team score went to Gordon McRoberts, Talking Business, Dean Gaunt, Invosys, Graham Harris, Daisy Wholesale, and Paul Johnson, Comms Business. On the day a score of 76 was enough to take it down.

As usual we had our Longest Drive and Nearest the Pin competitions on the day also. Graham Harris from Daisy Wholesale pulled out a whopper of

Kevin Beswick and Dave Dadds

a drive, a feat he claimed was purely down to the colour of his socks! Nearest the Pin went to Kevin Beswick from Atrium Telecom after a superb effort on the 18th hole. Kevin did well to land his ball on the green, but even more impressive was he did it in front of the entire clubhouse!

Well done to all those that took part, the next outing will be on the 28th April at Northampton Country Golf Club. Get yourself booked up while there are still places left! To book your place email leanne@cbmagazine.co.uk
